

What PPA has to offer...

Individualized instruction based on your child's specific needs.

Students excel at their own pace and are not stifled by a status quo style of teaching.

A rich extracurricular program including the integration of **French**, **Spanish**, **Music**, **Keyboards**, **Drama**, **Computers**, and **Dance**.

Preparation for meeting state standards by individualizing the curriculum.

"Education is the most powerful weapon which you can use to change the world."

"Once children learn how to learn, nothing is going to narrow their mind. The essence of teaching is to make learning contagious, to have one idea spark another."

-- *Marva Collins*

Victory Schools provide carefully prepared learning environments in which intellectual, moral, creative, physical and social growth flourish. The schools were established in 1975 in San Marino with the purpose of creating a community committed to meeting educational standards and principles. Today our schools serve over 350 students from preschool through 8th grade.
